# Principal's Message

Nau mai ki te Kura o Churchill Park, welcome to our delightful and unique school, nestled in the picturesque surroundings of Churchill Park, where the gentle hum of a working farm adds to our charm. Our dedicated team of experienced teachers and warm, welcoming staff are passionate about putting children at the heart of everything we do.

My name is Marie Todd and I am proud to be the Principal of Churchill Park School. We are a full primary school catering for children aged 5 to 13 years of age. Churchill Park School has been educating children in the Glendowie community since 1964. We believe in cultivating a culture of respect, resilience, and responsibility that permeates every aspect of our school community. We cherish the individual strengths and talents that each child brings, and our capable and confident learners arrive at school motivated and eager to learn.

Our engaging and challenging curriculum celebrates the unique strengths and experiences of our learners while providing the necessary support to propel them forward. Churchill Park is a Green Gold Enviro School, meaning our environment is very important to us weaving sustainability practices into the teaching and learning opportunities the learners are afforded. Our nurturing and skilled teachers ensure that every learner thrives academically, socially, and emotionally, creating a well-rounded educational journey.

Our vision "Stand Tall - Aim High" empowers our learners to develop their confidence in themselves and their abilities, encouraging them to set ambitious goals, pursue their passions, and reach for the stars in all aspects of their lives. By nurturing their self-belief and equipping them with the tools for success, we inspire our learners to unlock their full potential and make a positive impact on the world around them.

We are proud of our positive parent community who actively partner with us to ensure the best possible outcomes for their children. Together, we create a supportive and collaborative environment that fosters growth and achievement.

We invite you to explore our website and discover the wonderful opportunities that await your child at Churchill Park School. If you have any questions or would like to arrange a visit, our friendly and dedicated staff are here to assist you every step of the way.
